## RED CROSS MEMBERSHIP DRIVE

The American Red Cross will call the roll of the American people during the week of December 16-23, and Taney County should answer "Here."

The Red Cross, probably, will not ask for additional war funds, but the organization must continue its work indefinitely. This means that soldiers and sailors must continue to receive comfort and cheer and that their dependents must be assisted until the last of the bread winners have been mustered out and are back at their old positions.

The membership drive has for its object the enlisting of every American in the world as a member of the Red Cross, and the success or failure of the drive will reflect the spirit of the American people. The membership dues obtained in this campaign will be used to continue the work which the organization is in duty bound to perform.

### Union Revival Closes

A most interesting series of meetings were closed Monday night. Pastor-Evangelist, assisted by Rev. U. G. Johnson of the local Baptist Church, have had some fine meetings, and great interest was shown. It resulted in twenty-three conversions, ten of whom united in the church of their choice, and the others will undoubtedly do so at the first opportunity.

Rev. Sparks has shown an untiring zeal in his efforts to turn people to a different life, and we feel that his efforts are deeply appreciated in Forsyth. Many were reached at this time, and others were deeply stirred, which will show an influence in their life. His sermons were short, forceful and well received. He worked hard for his success and deserved all he received.

We understand that Rev. Sparks will open a series of meetings at Branson, next Sunday, December 16, and we feel that his work will be as successful in Branson as in Forsyth. We feel that Branson and Forsyth are fortunate to possess a pastor of the ability and breadth of mind as Rev. Sparks, and the churches and community have received a new inspiration.

J. H. Soutte of Hilda made us a pleasant call Wednesday, and renewed for the Republican.

Geo. Easterday and Jess Oliver, of Branson were business visitors in Forsyth this week. Mr. Easterday took the occasion to renew for the Republican. County Supt. Bennett, Mrs. Bennett, J. C. Parrish and Grace Reese motored to Springfield Saturday, returning Sunday, all but Mr. Parrish, who returned Monday.

Mr. and Mrs. J. A. Weatherman drove to Springfield last Thursday on a business trip, returning Saturday.

Be sure to read the advertisement of the Lyceum Course in this issue. The Course last year was such a success both financially and in pure enjoyment that the committee is putting on an extra outside number this year, and Mrs. L. L. You get this extra number at the same price that you paid last year for five numbers. Get in line and get your season reserved tickets at once.
